I'M INTERESTED

Chateau Montelena Winery was established in 1882 when founder Alfred L. Tubbs built a stunning stone castle carved into a hillside. It was one of the first traditional old-world chateaus in the Napa Valley. For over 40 years the talented and dedicated staff produces world-class, elegant, and well-balanced wines. The premise behind the wine is decidedly simple: it's unapologetically Montelena and a quintessential component of a fine wine collection. Join Sheri Bowen for an intimate tasting comparing the wines of Chateau Montelena across varietals and vintages.

CORAVIN®

CureDuchenne is proud to offer the award winning Coravin Wine Preservation System at a discounted rate. Coravin enables wine lovers to pour any wine, in any amount, without removing the cork. Request an order form with your tasting reservation to secure yours.
